EXAMINATION INSTRUCTION

Read the instructions and the questions carefully and pick your answer(s) from the options provided.

Note the following when you are doing your exam:

- 1) **Timer:** You have 35 minutes for 30 questions. The time is a red colored text at the top right corner of your screen as shown below.

Time left: 23min:12 sec

This timer will count down from 35min 0sec to 0min 0sec. Once your time is up, the exam will submit itself automatically.

- 2) **Navigation:** You can move from one question to another in two ways:
 - a) **Previous and Next:** There is a red previous and next button on each question page. Click the previous button to see the question before your current question. Click the next button to see the question after your current question.

PREVIOUS

NEXT

- b) **Question Numbers:** There is a colored numbers from 1 to 30 on each question page. You can click on any number to jump to that question number. This is shown and explained below

Yellow: This means the question has not been attempted by you

Green: This means the question has been attempted and answered by you

- Red:** This means the question has been attempted but not answered by you
- 3) **Submit:** There is a green submit button on the last question page as shown below.

When you click the submit button, you will see the box below

DO YOU WANT TO SUBMIT?

Cancel: Click Cancel to continue the exam if you have not finish and you still have time
OK: Click OK to confirm that you have finished your exam and want to submit. You will see the success message when you submit by yourself or when your time is exhausted and the system submits for you.

WE WISH YOU SUCCESS IN YOUR EXAMINATION
